

## Route to Chalet Kiana from Geneva Airport

From the airport, head straight (from car rental garage) until you get to a T-Junction, where you turn **L** and shortly thereafter **R**, following signs for **France**. This will take you through border control and then follow signs for A40/Chamonix/Milan/Turin.

Keep on autoroute **A40** as you pass round **Geneva**, following signs for Chamonix Mont Blanc onto the **Autoroute Blanche**:

Stay on A40 to **Junction 21**, passing through 2 péages on the Autoroute ATMB (from memory at Bonneville (J16/J17) & Cluses (J19))

Just before **J21**, after the Mont Blanc and Aire de Passy-Mt Blanc sign (below)...

...you will be warned that the exit is coming up – with a sign "Prochaine sortie Les Contamines Montjoie"...

... and then another sign, 1km before the exit (which doesn't actually mention Les Contamines!):

Shortly thereafter, the exit is signposted.

**Exit A40** here **at J21** & you will immediately see the sign (below)

**Turn R** at end of slip road (onto **D339**) at the (new) roundabout, following signs for St. Gervais.

(awful photos, I know, but I was driving while I took these and the weather was closing in!)

At the next roundabout go straight over, then **L** at the one after that (actually a T-junction), following directions for St. Gervais/Les Contamines. (Those who prefer to turn R at T-junctions & roundabouts will end up in Sallanches!) You, hopefully, will have turned L.

Go through Le Fayet, **straight over all roundabouts**, following the road as it turns sharp left (Parc Thermal entrance on R). Another roundabout appears quickly, so take **first exit R at this roundabout**, again following signs for St. Gervais/Les Contamines (either/or both). Drive up hill to **St Gervais (Les Bains)**.

Go through centre of St Gervais and follow road round successive bends to L & R. **Take the second exit off this roundabout** (picture below) (opposite a Petit Casino supermarket, which is on your R)...

...that conveniently (!) has bushes growing in the middle of it to hide the sign below (which is the one you want to follow!)

**(DO NOT FOLLOW SIGN to Albertville, WHICH IS THE FIRST EXIT!)**

## Route to Chalet Kiana from Geneva Airport

So, following the **D902** to **Les Contamines**, leave St. Gervais behind you and head straight (up hill) to Les Contamines-Montjoie.

### At Les Contamines

About 1km after you see the village sign, **turn L at Banque Populaire**, just as you arrive in the **centre of the village** (if you drive past Petit Casino on your L, you've missed the turning!). This is the **Route de la Frasse**, off which (eventually) is the drive of CK. Cassry on up the Route de la Frasse, round **2 tight bends** (more than 90 degrees) and **past the Hotel La Clef des Champs on R**, continue **round 3 more tight bends**, and then the **track to Chalet Kiana is the second on L**, just below a big, old farm. There is a small sign under a wooden letterbox. Total distance from the Banque Populaire (start of Route de la Frasse) is just over 1 km (see route on picture below, with 5 hairpin bends marked out!)
